

## RELAXING SPA COLLECTION

Our new Spa Fragrance Collection blends in Essential Oils with a Coconut-Soy wax blend that is naturally derived, and free of Parabens with lead free wicks. There are many Aromatherapy benefits of essential oils and many uses for the lidded jars after the candle is burned.

- Our new Spa Fragrance Collection is available in many forms, including candles, room sprays and reed diffusers.
- Our new Essential Oil Blends are 100% Pure & Plant Based. They are all natural and not animal tested. They are also gluten, wheat & GMO free.

### DID YOU KNOW...

- Our 16 oz. 2-wick filled candle burns for 45-50 hours!
- Our new Relaxing Spa Fragrances are available in a variety of forms! Walk your store to find the variety of fragrances & write them below.
